THE WATERLINE

August 19, 2022

NOTE FROM THE COMMODORE

Hello All-

Party of the century proved to be the party of the century! It was great to see so many of us there from all generations mingling, dancing, and having a great

time. Thank you to all who supported the party we still have a ways to go but I am optimistic that we will close the financial gap.

Hard to believe my last week as Commodore is upon us! However, next week still looks like a busy week with Atlantic and 12 1/2 series today, the Nevin/Britton cup this weekend, and the final series race on Wednesday. Followed by our annual meeting on Thursday at 0930 and our traditional tenderloin with Jeannie Becton's Bearnaise sauce annual dinner on Friday, August 26th.

Thank you all so much it has been a really wonderful couple of years as Commodore.

See you at the party or on the water!

Sean

Great Opportunity

Chris Feldcamp, owner of Woodlawn Studios and member of the KYC has very generously donated ball caps for you to order and customize.

For each donation of \$32, you will receive a personalized hat. Every hat sale is a direct donation to the centennial party shortfall.

The hats will have the KYC 100 burgee logo on the front with your choice of boat name or last name on the back.

If you put your order in this week, your hat (s) could be ready by the end of August.

The cap color choices are: Midnight or Sea Foam

Email your Color and what you would like on the back to Kelly at kycbluehillme@gmail.com.

RACE COMMITTEE

Want to be a part of the Race Committee?

Let Tommy know if you are interested: 272-3360 or email tom@dilmor.com

We will train you on how to tell sailors where to go (everyone wants to tell sailors where to go, don't they?)

Members of the dock and KSEA staff, commodore, and aviation consultant are doing a great job on the race committee, the season is picking up and we could use some more help

Cap'ns Locker

We are nearing the end of the 2022 Season. Time to stock up on gifts and warmer gear.

This week the store will be 15% of all items

We have a couple of Sea Bags made from the last year's donated sails still available in the store. These are not part of the discount as they are a fundraiser for KSEA.

Sail Donation Program to benefit KSEA

If you have any old sails hanging around, please consider donating them to us. We in turn will give them to Seabags and get custom KYC Seabags to sell. This is a great no-fuss fundraiser.

Kids Row?

Women's racing team warms up for Harbor Fest Regatta in Belfast this weekend.

Private Rows on Audacious & Phoenix

If any KYC members would like to set up a row in Audacious or Phoenix for two to four people, including kids, please let Mark or Carol know and they'll see how it can work.

Call 667 6715 or email BlueHillCommunityRowing@gmail.com.

It can be an easy row or a workout for a birthday or anniversary or just an introduction to crew rowing. No experience is necessary. Audacious will have a coxswain and one or two experienced rowers if necessary.

Hamilton Marine Order Service located in the Ship's Store at KYC.

This is a service offered to all members.

How it works:

Place your order in the store before 3:00 pm and the item will arrive around 9:00 am the next business day, *as long as it is in stock*. All orders would need to be placed through the store. The store is located behind the clubhouse. Kelly is happy to do this via email (followed up by a call), phone, or in person. There is a Hamilton catalog in the store if needed.

The items do not cost the member more than what the parts are priced at in the catalog. There is no surcharge for the delivery from Hamilton, as they are giving the club a small discount for having one ordering location. It makes it easier for Hamilton as well as convenient for our Club.

The Hamilton order will be placed and once arrived, you can charge it to your account or pay by credit card, apple pay or google pay.
