## CLUB NEWS

July 10, 2020

### Note from the Commodore

Dear membership,

It has been nice to see a few of you around town. Things definitely feel, look and are very different this summer. Life is quiet at the club. Chris is busy finding projects for the dock staff. Be careful...if you leave your car in the lot too long it might get painted 😊. KSEA is up and running, and I love the burgee the instructors painted on the storage shed.

A little more history.

Below is a photo of A-30, Taicon, the winner of the first Atlantic Class National Championship, taken in 1929. Owner/Skipper was James A Tillinghast.

James A. Tillinghast to his granddaughter, Linda Bickford Slaven and her husband, longtime KYC members.

Ahhhh Maine.....

I hope you are all safe and well.

With gratitude, Ann

## KSEA

KSEA opened its doors on Monday for what will certainly be a different kind of summer. Hats off to our amazing instructor team for all their hard work setting up the new KSEA campus and carefully putting a whole new set of COVID-related safety protocols in place. With additional help from Chris Guyette and the dock staff, we were ready to kick off the summer sailing season.

For those interested in signing up for sailing classes, please check out our [class offerings](#). We still have a few spots left.

Thanks so much, Springer

## CLUB STORE

The KYC online store is up and running. You can access the store through the KYC Website. The physical store is closed this season and we can not access any of the items that we have.

We will try to get a stock of burgees and have those available through the club office. We thank you for your patience as we try to operate with just the online store. Hopefully next year we will have the store at the club open and be able to meet more of your shopping needs.
