## THE WATERLINE

---

### Note from the Commodore

Hi All-

Monday, September 14th will be the last day for launch service. The club will be closed at the end of the day. If you need to use the facilities, the new bathroom at KSEA storage building will be open for members. The combination to use the facilities is 5581.

Saturday looks to be mild with winds 5 to 10 knots and a good day to be on the water. Join us as we are sailing lasers and 12.5's starting at 1300 hours.

Looking forward to a better 2021 and seeing more of you at the club.

Hope to see you on the water.

## KSEA

It's not too late to get your KSEA Summer 2020 t-shirt. A summer that will definitely go down in the history books.

Inventory is getting low but we do still have an assortment of sizes in adult and kid sizes. We are asking for a suggested donation of \$20 with all proceeds going directly to KSEA. Please send a note to [kseasail@gmail.com](mailto:kseasail@gmail.com) to place your order. If you are in town, we will happily deliver to your doorstep. For those farther away, we will send by mail.

And for those who haven't had a chance to check our [KSEA photo gallery](#), please do. We had 6 GREAT weeks of sailing out on Blue Hill Bay. Now we start the countdown to Summer 2021!

If you have any old sails hanging around, please consider donating them to us. We in turn will give them to Seabags and get custom KYC Seabags to sell. This is a great no-fuss fundraiser.
