NOTE FROM THE COMMODORE

Hello All-

Our first Cooks Night Out is sponsored by the Laser Fleet and is this Tuesday. Check in with Kelly to sign up by emailing her at kycbluehillme@gmail.com or call

the club.

Next weekend we have the Spencer Evans True Blue Laser Regatta which is a two-day event. As part of the Regatta, there will be a lobster dinner (like the opening dinner) at the Club on Saturday night. In addition to sailors, all members are welcome to join, just call or [email](#) Kelly by Wednesday, July 13th.

We are looking forward to the kitchen opening up soon for lunches! Hopefully by the middle of the month.

If you haven't been in to see Kelly at the new store yet- it is worth checking out! Kelly, Karen & Angela have been doing a fantastic job setting it all up!

Looking forward to seeing you at the Club or on the water.
Sean

MANAGER

Dock staff working hard to get KYC boats ready.

We have another good crew this year to help you on the dock.

Broadband in Blue Hill

Pre-Order for [Fidium Fiber](#) is available now! Fidium, a fiber based Internet service is coming to The Blue Hill Peninsula from Fidium Fiber through the efforts and collaboration/communication between the Maine Connectivity Authority, Consolidated Communications Inc. (CCI) and local entities like Peninsula Utility for Broadband (The PUB) and Island Institute. The Peninsula – from Castine to

Stonington – is getting Fiber to the Home and Small Business for anyone that wants it. No more paying to connect because of your distance to the pole like some others do (i.e. Spectrum), and the cost of the symmetrical service (same upload/download “speeds”) at up to 2,000 Megabits per second (Mbps) (aka 2 Gig), will be less than you are paying now for substantially less capability and service.

How is this being funded?

1. Funding awarded to CCI (owner of the Fidium brand) from the FCC,
2. Funding from the National Telecommunications and Information Administration (NTIA) awarded to ConnectMaine with CCI as the provider and
3. Millions invested by CCI for the Peninsula.

Details please see: www.peninsulautility4broadband.org

Planning a few talks about it in the town this summer – perhaps at KYC as well.

Private Rows on Audacious

If any KYC members would like to set up row in Audacious for two to four people, including kids, please let Mark or Carol know and they'll see how it can work.

Call 667 6715 or email BlueHillCommunityRowing@gmail.com.

It can be an easy row or a workout for a birthday or anniversary or just an introduction to crew rowing. No experience is necessary. Audacious will have a coxswain and one or two experienced rowers if necessary.

Hamilton Marine Order Service located in the Ship's Store at KYC.

This is a service offered to all members.

How it works:

Place your order in the store before 3:00 pm and the item will arrive around 9:00 am the next business day, *as long as it is in stock*. All orders would need to be placed through the store. The store is located behind the clubhouse. Kelly is happy to do this via email (followed up by a call), phone, or in person. There is a Hamilton catalog in the store if needed.

The items do not cost the member more than what the parts are priced at in the catalog. There is no surcharge for the delivery from Hamilton, as they are giving the club a small discount for having one ordering location. It makes it easier for Hamilton as well as convenient for our Club.

The Hamilton order will be placed and once arrived, you can charge it to your account or pay by credit card, apple pay or google pay.
