### NOTE FROM THE COMMODORE

Hello All-

This year is off to a great start! KSEA is full of kids learning to sail, the harbor is quickly filling up, and maybe some warm weather on the horizon.

Since many have been calling and asking about lunch, we will have a few pre-made sandwiches in the store starting Monday, July 27th. If you would like to place a sandwich order for yourself, call by 11:30 Monday – Friday. Currently working on a plan to start full lunches again at the club this year, starting around mid-July.

Look forward to seeing some of you at the Opening Dinner this Saturday. Looks like we are almost 100 people.

Remember our first race, which is a pursuit race, is coming up this Sunday.

Looking forward to seeing you at the Club or on the water.  
Sean

## KSEA

### The latest at KSEA

We started our KSEA summer on Monday with a bang! The 8–15 knots of gusty wind and 55 degrees didn't slow down the 44 sailors who showed up for their first day of class. Amazingly, no one capsized (there were a few close calls;) and everyone seemed to go home with a smile on their faces.

We had our first KSEA race day today and hosted a few Bucks Harbor sailors who were up for a bit of intra-club competition. It was great seeing the KSEA fleet out

on the Bay again. It's early days but they're already looking fast. We encourage anyone to come out and watch the races on Thursday at 1:30 pm.

Also, please follow KSEA on Instagram & Facebook.

## Hamilton Marine Order Service located in the Ship's Store at KYC.

This is a service offered to all members.

How it works:

Place your order in the store before 3:00 pm and the item will arrive around 9:00 am the next business day, *as long as it is in stock*. All orders would need to be placed through the store. The store is located behind the clubhouse. Kelly is happy to do this via email (followed up by a call), phone, or in person. There is a Hamilton catalog in the store if needed.

The items do not cost the member more than what the parts are priced at in the catalog. There is no surcharge for the delivery from Hamilton, as they are giving the club a small discount for having one ordering location. It makes it easier for Hamilton as well as convenient for our Club.

The Hamilton order will be placed and once arrived, you can charge it to your account or pay by credit card, apple pay or google pay.
